Week 10: UCLA leads CAR

Georgia, Utah, Texas, Alabama complete the Top 5.

All 63 Week 10 games are final. This edition ranks all 138 FBS teams from 685 completed season games through November 7. There are no Sunday or Monday games left in the assigned slate.

The approved formula is unchanged: 80% dynamic-opponent-record CAR and 20% previous-week CBS Sports 138. The November 2 CBS release, reflecting results through October 31, was frozen before the first Week 10 game.

Rank	Team	Record	Points
1	UCLA	9-0	82.381
2	Georgia	8-1	79.717
3	Utah	9-0	78.887
4	Texas	7-2	76.582
5	Alabama	7-2	76.541

The week in context

UCLA won 34-20 at Minnesota. Utah beat BYU 28-20; Georgia won 42-7 at Ole Miss; Notre Dame beat Miami 31-24. Texas won 34-20 at Missouri. Alabama won 31-13 at LSU, while Tennessee beat Kentucky 34-6.

Boise State is No. 10 at 8-1 after its 64-38 win at Colorado State. Oregon won 41-28 at Ohio State; Iowa won 24-10 at Northwestern. Top 25 entrants: Oregon (No. 20). Leaving the Top 25: Northwestern (No. 31).

Largest moves across all 138 teams

Team	Previous	Now	Movement
Baylor	50	32	+18
Florida Atlantic	83	66	+17
Illinois	52	37	+15
Mississippi State	40	60	-20
Oregon State	47	65	-18
Boston College	66	83	-17

Movement uses published Week 9 ranks. Teams can move on a bye because opponent records, field-wide scaling and the frozen previous-week CBS release update. Rank is relative to all 138 teams. The formula is unchanged; there are no manual ranking overrides.

Method and conference strength

Final score = 0.80 x dynamic CAR + 0.20 x [100 x (138 - CBS rank) / 137]

Dynamic CAR: 35% cumulative resume, 30% outcome-surprise performance with margin capped at 28 points, 25% record quality and 10% conference strength. Effective final weights: 28% resume, 24% performance, 10% own record, 10% opponent record, 8% conference and 20% CBS.

Record quality = 100 x [0.5 x FBS wins + 0.5 x FBS games x opponent FBS win percentage] / [FBS games + FCS losses]. Opponent percentage pools current FBS-only records of FBS opponents played, excluding every game against the evaluated team. Each opponent appearance counts once.

FCS wins earn no positive resume or record credit and have no record-denominator weight. FCS losses retain the denominator and substantial deductions. Displayed records include all games. CBS rank is converted linearly by CAR; these are not CBS rating points or calibrated probabilities.

Rank	Conference	FBS interconf.	Games	Score
1	SEC	28-2	30	74.803
2	Big Ten	31-11	42	63.193
3	Big 12	24-8	32	62.635
4	ACC	19-13	32	58.186
5	FBS Independents	11-6	17	56.340
6	Pac-12	9-16	25	48.251
7	Mountain West	12-17	29	42.005
8	American Athletic	16-25	41	41.913
9	Sun Belt	14-26	40	37.021
10	Conference USA	6-24	30	33.430
11	Mid-American	7-29	36	30.664

SEC leads at 74.803, with a 28-2 FBS interconference record. Conference rank changes: Mountain West 8 to 7, American Athletic 7 to 8. ACC: 58.675 to 58.186; FBS Independents: 55.799 to 56.340; Mountain West: 40.692 to 42.005; American Athletic: 42.437 to 41.913. These are conference-strength scores, not averages of member ranking points. CBS is not blended into conference standings; intraconference games do not directly add conference-strength points.

Earlier game values remain frozen; Week 10 uses published Week 9 values for pregame expectations. There is no direct preseason blend, but historical expectations and the exact-score tie-break retain preseason influence. All twelve diagnostic measures remain distinct from the overall score. AP, ESPN rankings, CFP rankings, odds and private forecasts are excluded.

Trajectory can now compare the same-method Week 7-to-Week 10 window; no cross-method trajectory is reported. Remaining Schedule Strength retains its labeled preseason basis with FCS zero and remains unavailable wherever future opponents are unresolved. Wake Forest beat FCS Merrimack 77-0; that win earns no positive CAR resume or record-denominator credit.
